

PERFECT LASER

Channel Bending Machine

(Model: PEL-200)

Material feeding Plate

Japan Import Bending Knife

Air cylinder

Universal wheel

1.

Stainless Steel Working Table

No easily to rust
Big working space for bending more big work pieces

Watching Window

Easily see the running inside
Helps user to stop work immediately
when finding something goes wrong

3.

Japan Imported Bending Machine

Made by hard alloy
Life span can reach as long as 2 years
Free of Maintenance

4.

Stainless Steel Feeding Entrance

Can fix and lock the material tightly
Make sure material no move
Accurate during long time use

5.

Efficient Material Feeding Plate

6 pcs wheels make the feeding quickly
Which can increase the efficiency

Servo Motor

World top brand servo motor
Ensure fast speed and high precision

7.

Air Cylinder

Use air pressure to bend and feed
Makes bending and feeding accurate

8.

Electromagnetic Valve

Control the working of air cylinder
Make machine work stable and free interference

FOOT MASTER
301R-60
MAX2150N

FOOT MASTER

Perfect Laser Bending Software
Easy to Operate
Promote Stability
Improve Work Efficiency

- * 12 Months Guarantee
- * 7-10 Working Days Lead Time
- * VCD Training , Easy Installation
- * 12 Hours Response
- * TT/Western Union / Paypal / Ali Trade Assurance Payment
- * Sea Shipping

FAQ

Q: What's the package?

A: We have 3 layers package. For the outside, we adopt wood craft case. In the middle, the machine is covered by foam, to protect the machine from shaking. For the inside layer, the machine is covered by thickening plastic bag for waterproof.

Q: Will the package damaged during transportation?

A: Our package is considerate all the damage factors and make it to be safe, and our shipping agent have full experienced in safe transportation. We have exported to 180 countries worldwide. So please don't worry, you will receive the parcel in good condition.

Q: How to install and run the machine?

A: Our technician have installed the machine before shipping. For some small parts installation, we will send detail training video, user's manual along with the machine. 95% customers can learn by themselves.
